Kriskadecor is a tool and at the same time a source of inspiration for designers, architects and decorators. Our Kriska and Snina little aluminium chain links allow you to create completely customized solutions for each project.

With our material you can develop all those ideas that let you give a unique character to each space, resulting in innovative, creative and practical design stores.

Find out what we can do. Let your imagination run wild.

Kriskadecor es una herramienta y al mismo tiempo una fuente de inspiración para diseñadores, arquitectos y decoradores.

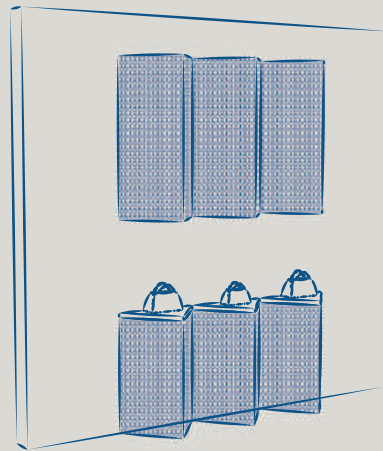

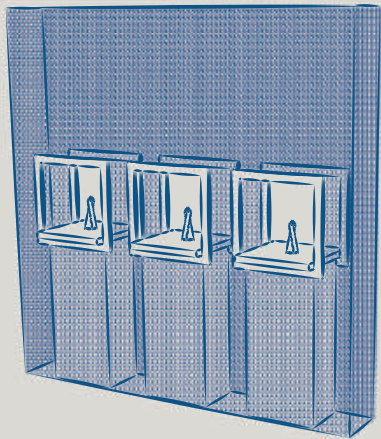

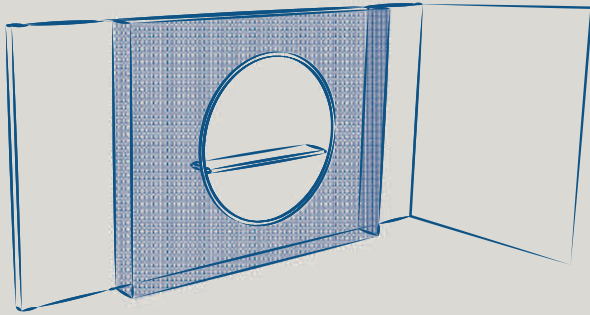

Kriska y Snina, nuestros pequeños eslabones de aluminio, te permiten crear soluciones completamente personalizadas para cada proyecto.

Con nuestro material se pueden desarrollar todas aquellas ideas que imprimen un carácter único a cada espacio, dando como resultado tiendas de diseño innovadoras, creativas y prácticas.

Descubre qué podemos hacer. Deja volar tu imaginación.
